A heartfelt thanks to all of you who have taken the time to meet with me and read the emails I send through. It's very much appreciated as Kusa Connect continues to grow and looks forward to a happy and prosperous 2025! Remember, the word Kusa means a new dawn and to help nurture and grow, and I continue to live by my brand name day after day.

If you missed being a part of the Class of 2024 at [Kusa College](#), I am very happy to welcome you to the Class of 2025! You can [use this link](#) to set up a time where we can have an online meeting so that I can showcase some of the incredible properties I work with.

Until next time,

Graeme.
